

NEW MEMBERS

If you are interested in your child joining our club, we will ask him/her to attend a trial in order to assess their ability and establish whether or not we have a space for them within their age group and ability.

The child should be able to continually swim 25 metres, with a reasonable technique in each of the following strokes - front crawl, breaststroke and backstroke. Older swimmers may also be asked to swim butterfly.

Prior to the assessment: Please complete this application form and email the *unsigned* form to membership.secretary@egsc.co.uk. When received, one of our coaches will contact you to arrange a time and date for the trial.

On the day of the assessment: Please bring the completed and *signed* form with you and hand to the membership secretary.
