

EGSC Communications

Club Communications

Communications in a club with around 200 family members has always been a challenge and continues to be. Parent Information meetings are held periodically throughout the year for all swimmers. All club members have the responsibility to do their part to improve communications.

Committee meetings are held monthly and key actions and information are posted on our website in the Club Info section.

We have a manned information Desk on Friday and Sunday nights which is situated in the reception area of Kings Centre. These are good people to get to know if you are new to the club

If you are like most swim families, you will still have many questions about the club. Please ask at the Desk on Fridays or Sundays, or the coach or a committee member. Don't be shy. You have a right to have your questions answered.

Be sure to read our information bulletins on our notice boards situated in the Kings Centre as posted on the Club website (www.egsc.co.uk.)
